Good Until: 11/28/20

All Reports & Monitors:
You'll have access to IntelliBoard's full reporting and analytics suite: collections of reports and graphical displays of data on everything from access to zeal (engagement) - and everything in between!

Scheduled Reports:
Find a specific report or multiple reports that are hitting your key target areas? Schedule them. Send them to yourself, to others, to whomever you want.Hourly, weekly, monthly, quarterly, or even a specific date - have the data you need whenever you need it, without ever thinking about it again.

Admin Dashboard:
Give your Site Administrators a data landing pad within the Moodle system.

Instructor Dashboard:
Instructors are hard-working folks. Make their lives easier by providing all the needed information for instructor-learner success directly at their fingertips. The ability to view grades, specific learners, time-on-task, missed assignments, engagement, and what needs grading - in one easy-to-use interface - all to improve the efforts of eLearning.

Pricing Estimate is $3,600 / year!
You can save $360 / year with a multi-year contract.
